Item 1. Introduction Published 06/30/2020

Main Street Investment Advisors, LLC is registered with the Securities and Exchange Commission as an Investment Adviser. Brokerage and investment advisory services and fees differ and it is important for you to understand the differences. The SEC offers free and simple tools to research firms and financial professionals at Investor.gov/CRS which also provides information tailored to educate retail investors about financial professionals.

Item 2. Relationships and Services “What investment services and advice can you provide me?”

Our firm provides investment discretion for the following services. If you invest on a discretionary basis, our firm will buy and sell investments in your accounts without requiring your pre-approval on an ongoing basis until you notify us in writing to switch.

- Portfolio management—monitored continuously as part of our standard service. Clients may place reasonable restrictions on the types of assets in which Main Street Investment Advisors, LLC will invest in their account.

For additional information including minimum investment amounts, please see <http://adviserinfo.sec.gov> for our Form ADV, 2A brochure (Items 4 and 7 of Part 2A or Items 4.A. and 5 of Part 2A Appendix 1).

Conversation starters. *Ask your financial professional:*

- *Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me?*
- *What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

Item 3. Fees, Costs, Conflicts and Standard of Conduct “What fees will I pay?”

Our fees are assessed quarterly and are disclosed in our Form ADV Part 1A, Item 5.E. and more fully described in our Form ADV Part 2A, Items 5. Some fees create a conflict of interest described below and in more detail in our Firm's Part 2A. Our portfolio management fee will not exceed 1.00% asset under management on an annual basis. We have a minimum account opening size of \$250,000, which may be waived based on the client's past relationship with the firm or future expected earnings.

- If our firm charges you asset based fees, more assets in the account will cause you to pay more in fees and therefore we may have an incentive to encourage you to increase the amount of money invested in those accounts.

There are other fees and costs related to our investment advisory services and investments in addition to the principal fees and costs listed above that you will pay directly or indirectly. Examples of the most common fees and costs are custodian fees, insurance fees and mutual fund fees.

Additional Information: You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

For more detailed information about our fees and costs please review our Form ADV, Part 2A brochure (specifically Items 5.A., B., C., and D.) which can be found <http://adviserinfo.sec.gov>.

Main Street Investment Advisors, LLC Form CRS

Conversation starters. *Ask your financial professional:*

– Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you.

Here are examples to help you understand what this means.

- Our firm makes money by offering products and services to you that we in turn earn money on and therefore have an incentive to sell these products to you.
